Volume 55: September 1968 through May 1969

The *Music Educators Journal* is published nine times yearly, monthly except for June, July, and August. This index covers a period of one year of nine issues, September 1968 through May 1969.

The page number of each article follows the month of issue. Titles of articles are indicated by italics; names of authors appear in parentheses.

Beginning with Volume 46, the *Journal* has been indexed in the final issue of each volume year, which up through Volume 52 (September 1965-July 1966) has been included in the June-July issue. Volumes 53, 54, and 55 are indexed in the May issue.

Two cumulative indexes, one for Volumes 33-45, covering the period from September 1946 through July 1959, and one for Volumes 46-51, which covers the period from September 1959 through July 1965, are available for 50¢ each.
